# President's Message

Our 1996 National was a great success! A special "thank you" to all involved. As many of you know, I have been elected the new president of the FCA. Thanks for your support and confidence. I would also like to thank the outgoing officers for a job well done!

Let me take a few minutes to introduce myself — I am 48 years old and have been married to my lovely wife Carol for 27 years. We have three children, Keri age 24, Amy age 21, and Chad age 19. Most of my career has been spent in the life insurance industry.

My first Falcon, a 1963 Futura two-door hardtop, was purchased during my junior year of high school, and I've owned a Falcon ever since. Carol and I currently own a pair of 1965 Futuras, a hardtop and a convertible. We also have a 1964 Woodie we are restoring. The other two Falcons in the Springer family belong to our daughters.

Following is a summary of my history with the Falcon Club of America:

- 1982 - Join the FCA, #1044; attended my first National in Memphis, TN
- 1984 - Member of the Mason Dixon Chapter; Eastern Regional Director
- 1985 - Founding member of Carolinas Chapter, Charlotte, NC
- 1986 - Board of Directors, FCA
- 1987 - Moved to Plano, TX; joined the Lone Star Chapter
- 1988 - Moved to Austin, TX; joined the Alamo Chapter; 1966 Technical Advisor
- 1990 - Chapter Coordinator, FCA
- 1993 - Founding member of Capitol City Chapter, Austin, TX
- 1994 - Moved to Orlando, FL; joined the Suncoast Chapter
- 1996 - Moved to Kansas City, MO; joined the Mid-America Chapter

Since 1985 my career has given both Carol and me the opportunity to meet and become friends with Falcon Lovers all over the United States.

I am looking forward to the FCA having a great year and hope to see many of you at the various regionals between now and the National next year.

Based on the input I have received, it appears our major task is to enhance the newsletter. At the National, President Hatcher formed a newsletter committee. The purpose of the committee is to review any concerns or suggestions sent in by members. This committee will stay in place until the necessary changes are implemented. If you have any additional concerns or suggestions, please submit them to my attention, and I will be happy to present them to the committee.

This is your club, and only with your support and input can we continue to make us the best club around.

Happy Falconing,  
Steve Springer

# River City Chapter's 6th Regional A Huge Success

The June 1996 Regional hosted by the River City Chapter was quite an event to see, with loads of Falcons all gathering in the parking lot of the Sheraton Hotel in Rancho Cordova, California. There were 62 Falcons registered for the show and many more parked around the event. The swap meet was spectacular with 23 spaces filled with Falcon parts. This year's event attracted people from as far away as Arizona, southern California, British Columbia, Australia and a great turnout of people from Washington.

The Saturday show was wonderful. This year we had a special Comet display area which attracted quite a lot of attention. There were great games and a car-shaped pinata for the kids. An incredible amount of fabulous raffle prizes was donated by over 40 different sponsors!

The banquet/awards dinner at the Shepherd's Inn was great, and the food kept coming, course after course. More raffles were held, including a \$100 cash prize. Mike Cavanaugh kept the dinner interesting by telling jokes and encouraging all people to compete for the Hard Luck trophy. All the stories were deserving, but the winner was Damian Stellabott who got lost on the seven-mile Friday night cruise to Dairy Queen in Folsom and ended up many miles away in Auburn. The awards dinner ended with a beautiful birthday cake provided by the Columbia River Falcon-Comet Club for one of their member's, Jenny Frosilie, 50th birthday.

The Sunday morning breakfast at the Sheraton was outstanding, with over 20 Falcon folks reminiscing about the wonderful time we all had at the 1996 Pacific Regional Meet.

# Chapter News

## Notes from All Over

The **Northeast Chapter** has been spending a lot of time getting ready for their third Regional Meet. Many race fans will remember the famous Tasca "Thunderbolt" racing legend of the '60s, and at this Regional they will get the chance to hear Mr. Bob Tasca tell many of his great Falcon stories!

Preparing to host their second Regional Meet is the **Carolinas Chapter**. Phil Bonner's "Daddy Warbucks" Falcon is represented on their commemorative T-shirts this year. Several members of the chapter attended the FCA National Show in Springfield, MO. The Golden Corral Restaurant is their new meeting location.

Ron and Sharon Dorsey recently hosted the **Heart of Texas Chapter** to a great fish fry with hushpuppies. Plans were discussed for attending the Yellow Rose and the FCA Nationals.

The **Erie Canal Chapter** had great weather for their potluck picnic/meeting at Bob and Matty Passino's home. At least four couples plan on attending the Nationals in Springfield, Missouri.

Attending the three-day Carlisle (PA) All Ford Show and the picnic at Bob Vaughn's kept the **Keystone Chapter** busy in early summer. They are now preparing for their 7th Eastern Regional Meet that will be held in Lancaster, Pennsylvania, on September 13 and 14.

The **Blue Ridge Chapter** held its July meeting at their clubhouse. There were 24 members present, and the topic of discussion was a picnic to Table Rock Lake. The Carolinas Chapter plans to join in to cruise to the park for a day of food, fellowship and fun. Some members plan to attend a show in Greenville, SC, after the outing.

Both the June and July meetings of the **Mid America Chapter** were held at the Sonic Drive-In in Stanley, KS. June saw 22 members present with seven Falcons, and July had 16 members with three Falcons. Plans were made to attend the Nationals in Springfield, MO, and to host a picnic at Paola Lake, Paola, KS, on September 8.

## "How To" Tips for Submitting Newsletter Articles

There seems to be some confusion about the when, where, and what of submitting classified ads, tech tips, articles, etc. to the *Falcon News*. Hopefully, these tips will help explain everything you've ever wanted to know.

**When?** Timing is the most confusing it seems. Anything that you want to be published in the November newsletter must be postmarked by October 1; things for the December issue, by November 1; and so on for the rest of the year.

**Where?** Send all newsletter information to the editor, Kathy Lerner, at 2721 Gilboa, Zion, IL 60099-2421. The editor then compiles and sorts all the information submitted, retypes and formats it to the proper style, and sends the finished copy to the printer.

**What?** Anything pertaining to Falcons, and *only* Falcons, will be considered for publication.

- **Classified Ad:** Ad must not be more than 50 words long, including the name, address and phone number of the person submitting the ad, and items for sale must be priced. Any ad over the word limit will be cut back, and an ad without pricing will not be published. Every ad is required to have the name and city/state of the person who submitted it. Please be sure your ad is legible!!!
- **Photos/Magazines/Other Preprinted Material:** Submit only originals, and include a self-addressed postage-paid envelope if you want the material returned. Never write on the backs of photos; instead first write the pertinent information on another piece of paper or Post-it note and attach that to the back.
- **Vendor Ads:** Other than business cards, these must be camera ready and the correct amount included with the ads. For further information read the boxed information at the beginning of the Classified Ads portion of the newsletter.
- **Chapter News/Newsletters:** All of these are great, but it's really hard for the editor to know exactly what your chapter wants highlighted. Send all items for the Chapter News section separately so the specific information will be published.

With a little help from you, the members of the FCA, the *Falcon News* will only get better and more informative.

## "1965 Futura"

This little jewel was purchased in Wichita Falls, Texas, in August 1965 by my mother. It is a Futura 2-Door Hardtop with an automatic, vinyl top, and factory air.

I got my hands on it in the fall of 1990 after my stepfather passed away. Mom was going to give it to one of the grandkids to cart off to the junkyard. I jumped to the highest point I could find and screamed. Only after I agreed to dismantle her old garage so she could have a new one built for her current auto did I get possession of it. Labor Day weekend was spent on that chore, and I went back in October to take the Falcon back to Virginia.

Since I had installed a new battery and it ran pretty good, the plan was to use it with a tow dolly to take home my Honda Accord. I goofed and failed to check the belts and hoses. Fifty miles east of Wichita Falls the trouble started. The fan belt broke, flew into the underside of the radiator top tank and loosened the soldering on the core. The cars and I limped as far as Benton, Arkansas, before it was time to go to Plan B. The Falcon was left with a friend in Little Rock until spring when I went back with a suitable tow vehicle and brought it the rest of the way to Virginia.

After sitting outside in Texas weather for 25 years, needless to say it was not in A-1 condition. For the last six years I have been doing a little at a time as time and money permitted.

When Mom visited last spring, I took her for a ride in it. She said that the Falcon had always been her most favorite car of all the cars she's ever owned. Mom was 82 in July, and she still drives. She informed me that she was not going to be one of those little old blue-haired ladies that goes 20 miles per hour so that people drive up behind and begin honking for her to get out of the way. Last year she bought a new car — a 1995 Thunderbird Super Coupe 5.0 V8. Over at the church they call her Kamikaze Mama!

I really enjoy telling everyone that it has been in the family for over 30 years. Right now, I am looking for enough Falcon owners in the Roanoke area to start an FCA chapter. My home phone is 540/362-0173 or reach me on Internet 74554.2532@compuserv.com.
